Projected number of people to benefit from the project

Please describe the project in the space below.

## 2017 Fund for Buhler Grant Proposal Application

### Information Sheet Related to a Request for a Grant from the Buhler Community Foundation

Completed applications for a grant are due on July 3, 2017. Turn the application in to the Buhler City Office or mail the completed application to: PO BOX 298, Hutchinson, KS, 67504.

Grants will be awarded October 7th at Buhler Frolic. If you are receiving a grant, your organization or group should have an individual or individuals present to receive it and be recognized.

If your request for a grant is part of a large project, be specific about the part of the project that the grant will fund.

The Buhler Community Foundation expects that most grant activity will be completed by September 30, 2018. Members of the advisory board may want to visit the project while it is in progress.

The Buhler Community Foundation will email a report form to request a final report on the project or a verbal report may be completed by your representative at a Buhler Community Foundation Advisory Board meeting.

Proposals must come from organizations that are exempt from federal income tax under Section 501(c)(3) and serve Buhler. Special purpose units of government may apply for support of innovative projects. Grant proposals from individuals or non-qualifying organizations will not be considered.
